Re: Annual Statistical Reports

Here it is! I know you all have been chomping at the bit awaiting this information! The stat portal from the Office of General Assembly is now active for you to complete your church's Annual Statistical Report for the 2019 reporting year. You can access information by clicking this link: <http://oga.pcusa.org/stats>

Everything should look the same as last year. The program includes helpful tools and definitions to assist in the completion of this report. Your User Name and Password have not changed. If you have misplaced your login information, give me a call or email me (828/438-4217 or twilliams@presbyterywnc.org) and I can look it up for you. **If you are having trouble logging in, remember that the most common mistake in entering your login information is omitting the exclamation mark (!) at the end of your password.**

You do not have to enter all your statistical data at one time. As long as you hit the "accept" button at the bottom of each page, your data will be saved and you can come and go as often as you like until the deadline. Also take note that this is a wonderful time to evaluate your membership rolls. This benefits not only your church, but the Presbytery as well. Help us be good stewards!

The 2020 Church Data Form is attached. It will also be posted on Presbytery's website (www.presbyterywnc.org) under "Useful Forms" by mid-month.

All reports are due by Friday, February 14, 2020. Failure to comply is a violation of the *Book of Order*. I know the first of the year is a busy time for everyone. Avoid the stress and go ahead and complete what you can now before the holidays!

As always, please let me know if I can be of help. I appreciate each of you and your diligence in submitting your church's information annually. Wishing you all the best this holy season!
