

GRANT REQUEST FOR PEACE AND JUSTICE PROJECTS

Congregations may request up to \$500 for projects related to peacemaking, justice, reconciliation, compassion, or environmental stewardship in their congregations or communities. Grants may include, but are not limited to, projects such as:

Replacing light bulbs with energy efficient ones or replacing a window, etc. to make your building more energy efficient.

Supporting a congregational member to attend a conference on a related topic

Purchasing materials to be used in a study in the church or community

Providing funds for refreshments or materials in an Interfaith study group

Supporting a community garden

Purchasing equipment or materials for an afterschool program

Obtaining backpacks for weekend food distribution
