ABOUT THE EVENT . . .

Join us for a Fall Lunch and Learn Zoom event for all those involved in the work of Christian Education in the Presbytery of Western North Carolina. We'll spend time together learning, connecting, and nurturing our own faith.

We'll be joined by Stephanie Fritz, the Mission Coordinator for Christian Formation for the PC(USA). Stephanie will share with us some daily practices of spirituality to enhance our personal and communal faith. As faith leaders, we equip our church households with faith practices. It is important that we take time to engage in these practices in our own daily prayer and faith life. Expect to learn simple ways to mark your daily rituals as holy moments and engage in practices with one another to support your faith community.

*This event is sponsored by the Christian Education Committee of the Presbytery of Western North Carolina. **There is no cost to attend, but advanced registration is required.***
