

BACK TO SCHOOL - EBENEZER SCHOOL - NKHOMA, MALAWI

PWNC - THANK YOU FOR YOUR SUPPORT

Ebenezer School, which PWNC helped start in 2009 and continues to support, has almost 400 students; pre-kindergarten through middle school. Over the years, the presbytery has built classrooms and housing, provided continuing education, and given funds for Covid Relief. Others closely connected with PWNC have built housing, a library, a chapel, and purchased a van.

- Churches and individuals provide 60 Scholarships at \$300 per year. However, more scholarships are needed and can be provided by individuals, churches or classes/groups.
- Building HOPE supports maintenance of buildings and infrastructure.
- PWNC encourages Chrissie Mbewe, Ebenezer's principal, who visited us in 2019.
- People and churches pray for Ebenezer School, Nkhoma Hospital and Synod.

Scholarships can be given in honor of someone as a thank you, for birthday or Christmas gifts, or any special occasion, including starting school. Card inserts are available for honoring someone.
