

First Presbyterian Church of Marion, NC has two part-time (6-10 hours per week) positions we are interested in filling.

The first is to provide for the safety and spiritual growth of our children 4 and under. The expectations include attendance/organized classes on Sunday mornings, and we would prefer someone with previous experience in childhood development as well as CPR/First Aid certification.

The second is providing for the intellectual and spiritual growth of our school-aged children (including youth). Previous experience or education in childhood development is preferred.

For both positions, salary is negotiable, and we are open to a person qualified and committed to serving both or either role(s). If you are interested in receiving more information specific to the position, please contact the church at 828-652-5717 or by email at fpcmarionnc@gmail.com. If you would like to know more about our church, you can visit us on Facebook or at firstpresmarion.org.
