SESSION ENDORSEMENT

The Session of (if First, list city) _____
at its meeting on _____ endorsed our member (s)

_____ to participate in the Church Leadership School/Commissioned Pastor Training Program.

In making this endorsement, we agree to support the applicant during his/her training through one or more of the following ways:

- Provide encouragement and prayerful support.
- Realize that the person may not have the same amount of time to devote to specific church activities and allow the person to adjust church responsibilities.
- If necessary, provide financial help with the cost of the training and the resources required (transportation cost, tuition, etc.)
- Invite the participant to share with the pastor and/or Session the experience after the first year.

This Church Leadership School is designed for all persons who would like more study in the Biblical, theological and practical aspects of our faith and ministry. It is hoped that this person's knowledge can be shared to strengthen the ministry of your church. Also, graduation from the school is the first step for those interested in becoming Commissioned Pastors in our Presbytery.

The Session understands that the entrance into this program is only the first step for someone who wants to be a Commissioned Pastor. If the person decides to pursue commissioning, the Session's recommendation will be very important.

To become a Commissioned Pastor, the person must be an ordained ruling elder. However, it is not required that the person be an elder to attend the Church Leadership School. The request for commissioning takes place only after the applicant has successfully completed the training process and has received a call from a church and/or other validated type of ministry.

Please return this form to the Presbytery office no later than August 15, 2023.
