*A Training Event for Stewardship Committees, Sessions, Pastors and Congregation Leaders*

**Early Bird Rate \$12.00 through May 18 (paid in full), after \$20.00.**

**You must register to be guaranteed a lunch.**

The Creating a Culture of Generosity workshop moves from presentation to implementation. This one day, interactive seminar occurs in small group breakouts so that you can develop a generosity/stewardship program for your church. As a church leader, you leave with materials and ideas on how to foster and increase the spiritual life of your church and members, as it relates to generosity/stewardship. Working in your small group and later sharing ideas with the workshop participants, you develop a generosity/stewardship annual calendar and discuss the implementation steps for your church.

Come prepared to learn how to create a culture of generosity, share your ideas, write a generosity plan and calendar of activities, explore the Biblical texts of generosity/ stewardship, and celebrate the success of your efforts.

**Extra Benefit: Each participant will receive a copy of *Clif Christopher's Not Your Parents' Offering Plate: A New Vision for Financial Stewardship.***
