

**The Presbytery of Western North Carolina  
CAMPUS MISSION COMMITTEE**

**Allen Smith, Chair**

**July 31, 2012**

In an effort to better facilitate ministry to our young adults as they leave home in order to attend college, the Campus Mission Committee is offering to help connect your college students with churches/ministry groups in their college's area. If you will provide the student's name, home church's name, name of the college/university, and the student's email address and cell phone number, we will forward the information to the corresponding campus ministries. Not every college has a PCUSA ministry nearby, but we will forward the names of the students to those that do, so that the students can be contacted when they arrive on campus. You can either email the information to [gboyer@presbyterywnc.org](mailto:gboyer@presbyterywnc.org) or fill out the form (in the attachments) and mail it to the Presbytery Office.
