

**Presbyterian Women
Presbytery of Western North Carolina
Moderator's Report
January 10, 2018**

The Presbytery PW Coordinating Team met On November 12, 2017. At that time, it was decided to have a Scholarship Fundraiser to raise \$1,500 to give two scholarships in 2018 as we had in the past. The need for the fundraiser was due to our given an additional scholarship in 2017 which meant there would only be one given this year. Through the efforts of the Scholarship Committee, led by Elizabeth Barbee as Scholarship Facilitator, and the contributions of many Presbyterian Women in our Presbytery, the goal has been attained.

Final preparations are being made for the PW Spring Gathering being held at Warren Presbyterian Church on April 14, 2018. This year marks the 30th anniversary for Presbyterian Women. Registration information for the Spring Gathering will be in the February issue of *Joyful Noise*.

Registration information for the Churchwide Gathering, August 2-5, 2018, in Louisville, Kentucky, was mailed with the November/December issue of the *Horizons* magazine. Presbyterian Women that do not subscribe to *Horizons* can access the registration packet through the PW website:
